Thank you for your interest in becoming a Michigan GREEN member.

Michigan Green is a group of energy companies together with energy consultants, government agencies, schools, colleges, and universities that have joined forces to champion the cause of renewable energy and energy efficiency in Michigan and throughout the Nation.

We look forward to adding you to our growing list of members. Together we can make a difference!

Our Mission

Michigan GREEN (Group for a Renewable Energy Efficient Nation) is a non-profit corporation committed to: 1) advancing the installation and implementation of energy efficiency and renewable energy technologies; 2) educational programming and resource sharing that increases the awareness and understanding of energy efficiency and renewable energy technologies and promotes the use of energy conservation measures in residential, commercial, and industrial settings; and 3) providing access to financial institutions and services that facilitate funding opportunities for energy related projects.

As responsible stewards of the earth, we continue to strive for the greening of our planet!

Please fill out the attached form completely. Your application for membership will be approved pending review. Please provide a valid mailing address as we will be sending you a welcome package.
